Objectives

Raise Coin Value and
Reward Burners

Compete to Multiply Your
Coins

Target

Audience

SHIB Holders
NFT Holders

Approach

Game Development
Transparent and Secure
Gameplay
Shared Rewards

PROJECT OVERVIEW

Fueling SHIB's Future

Our mission is clear: We will be the largest burn project on SHIB since Vitalik Buterin.

500T SHIB BURNED

HOW?

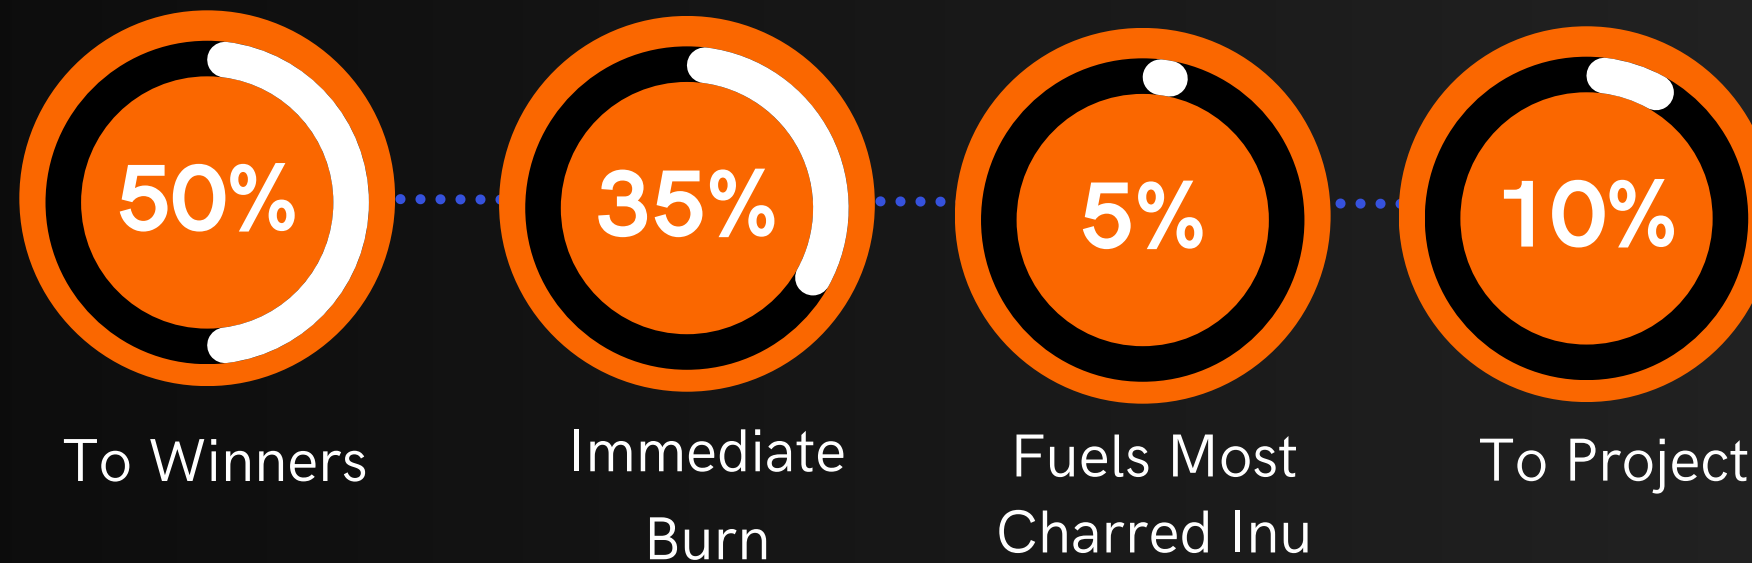

We are a secure gaming platform for SHIB holders to play, have fun, burn SHIB & earn SHIB.

HOW IT WORKS

- **Register & Enter:** Connect with your wallet and choose your room size
- **Entry Fee:** Sizes vary from small rooms to whale rooms 🐟🐟🐟
- **Provably Fair:** Verified selection through Chainlink VRF
- **Random Winner:** Smart contract selects one winner

Percentages are subject to vary slightly depending on room sizes and burn amounts.

Lost a game? You earn +1 entry to the weekly Most Charred Inu prize pool.

MOST CHARRED INU

Fueling Rewards, Igniting Your Chance

What is it?

- 5% Holdback from every game
- Randomly awarded to one burner every week

How it Works:

- Smart contract sends 5% of all burns to 1 lucky wallet
- Charred Inu pays every week
- Transparent Verification: Secured via Chainlink, ensuring fair play

Charred Inu Level

9 % CHAR INU METER!!

Every burn contributes and every wallet counts.

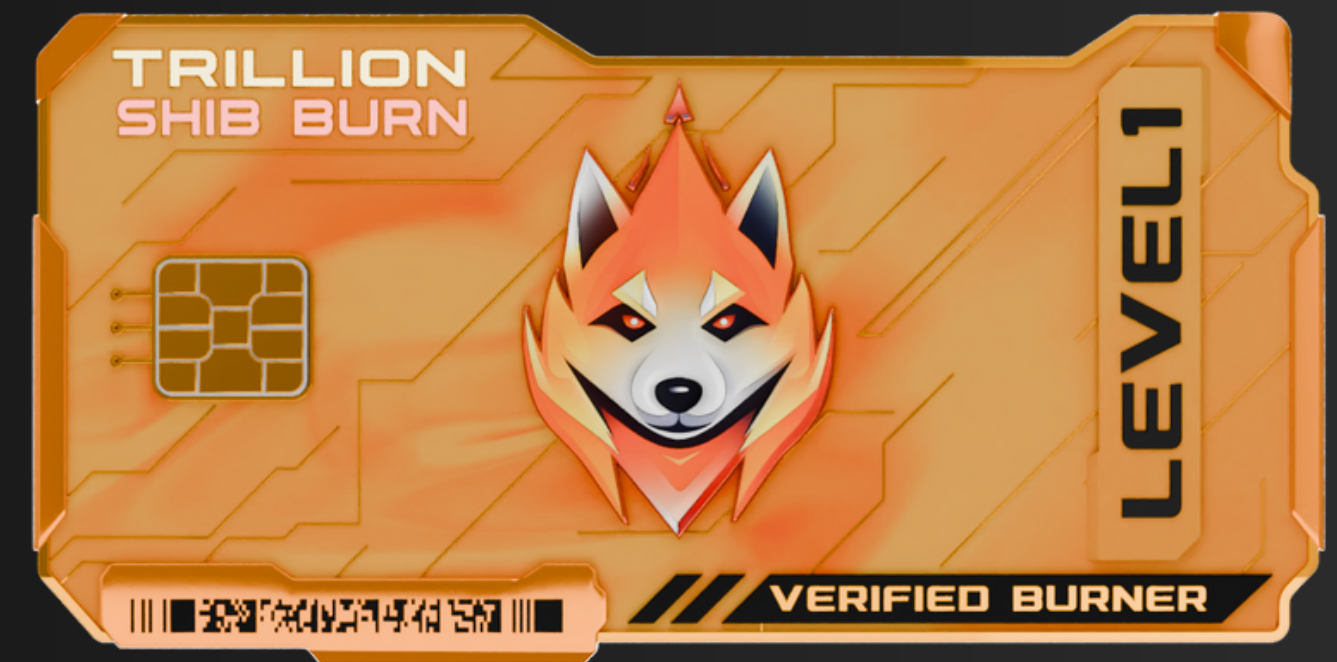

EXCLUSIVE NFTS

Rewarding NFT Holders

Our collection of NFTs holds more value than just a fun token in your wallet!

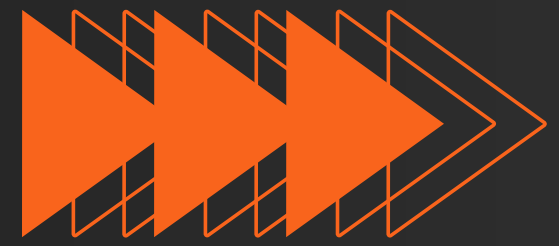

A huge **40% of platform earnings** are distributed among NFT holders.

OG NFTs receive DAO membership, Game Sponsorships, and exclusive benefits.

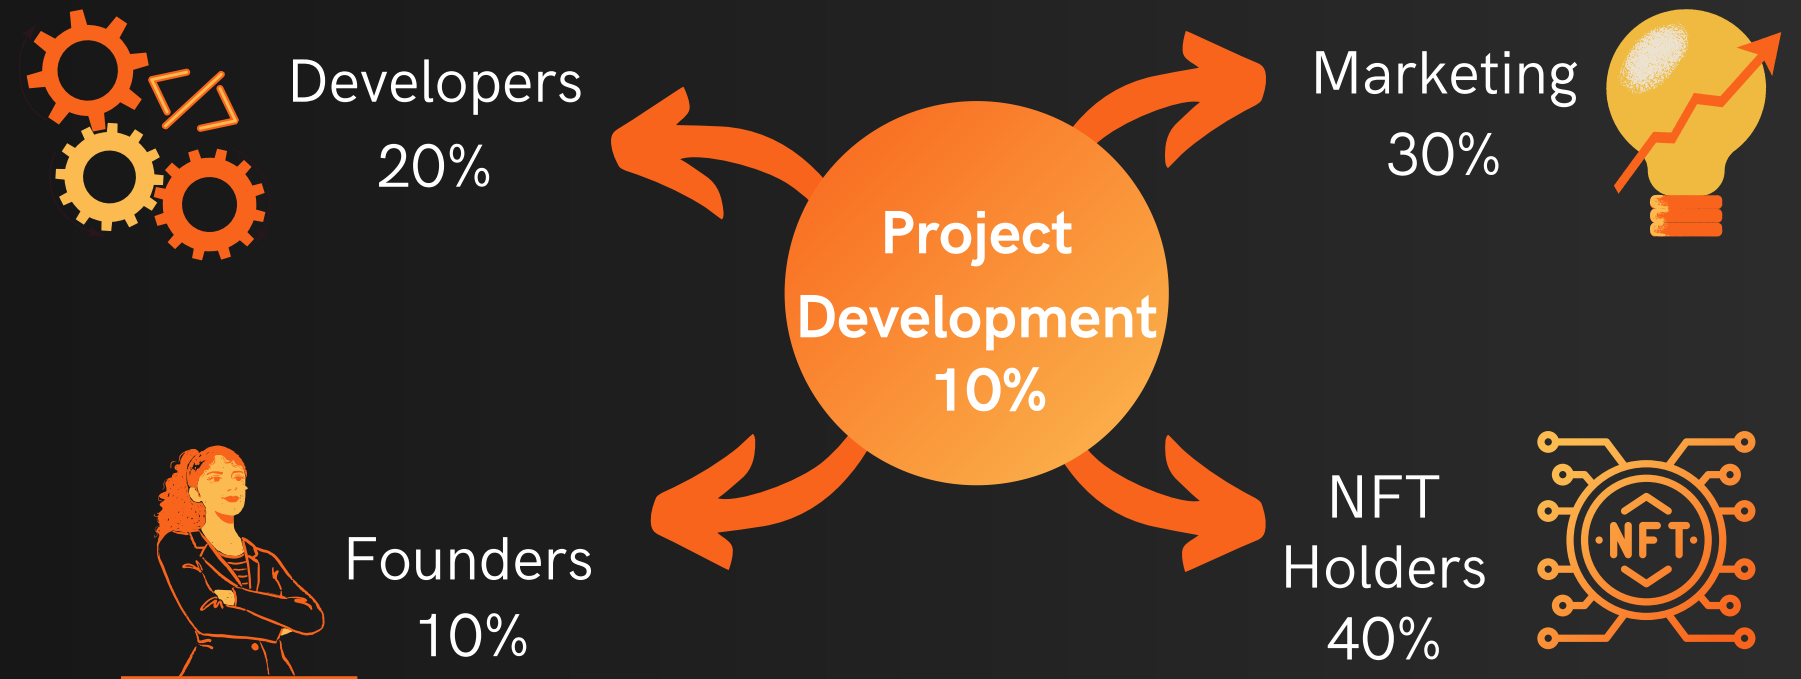

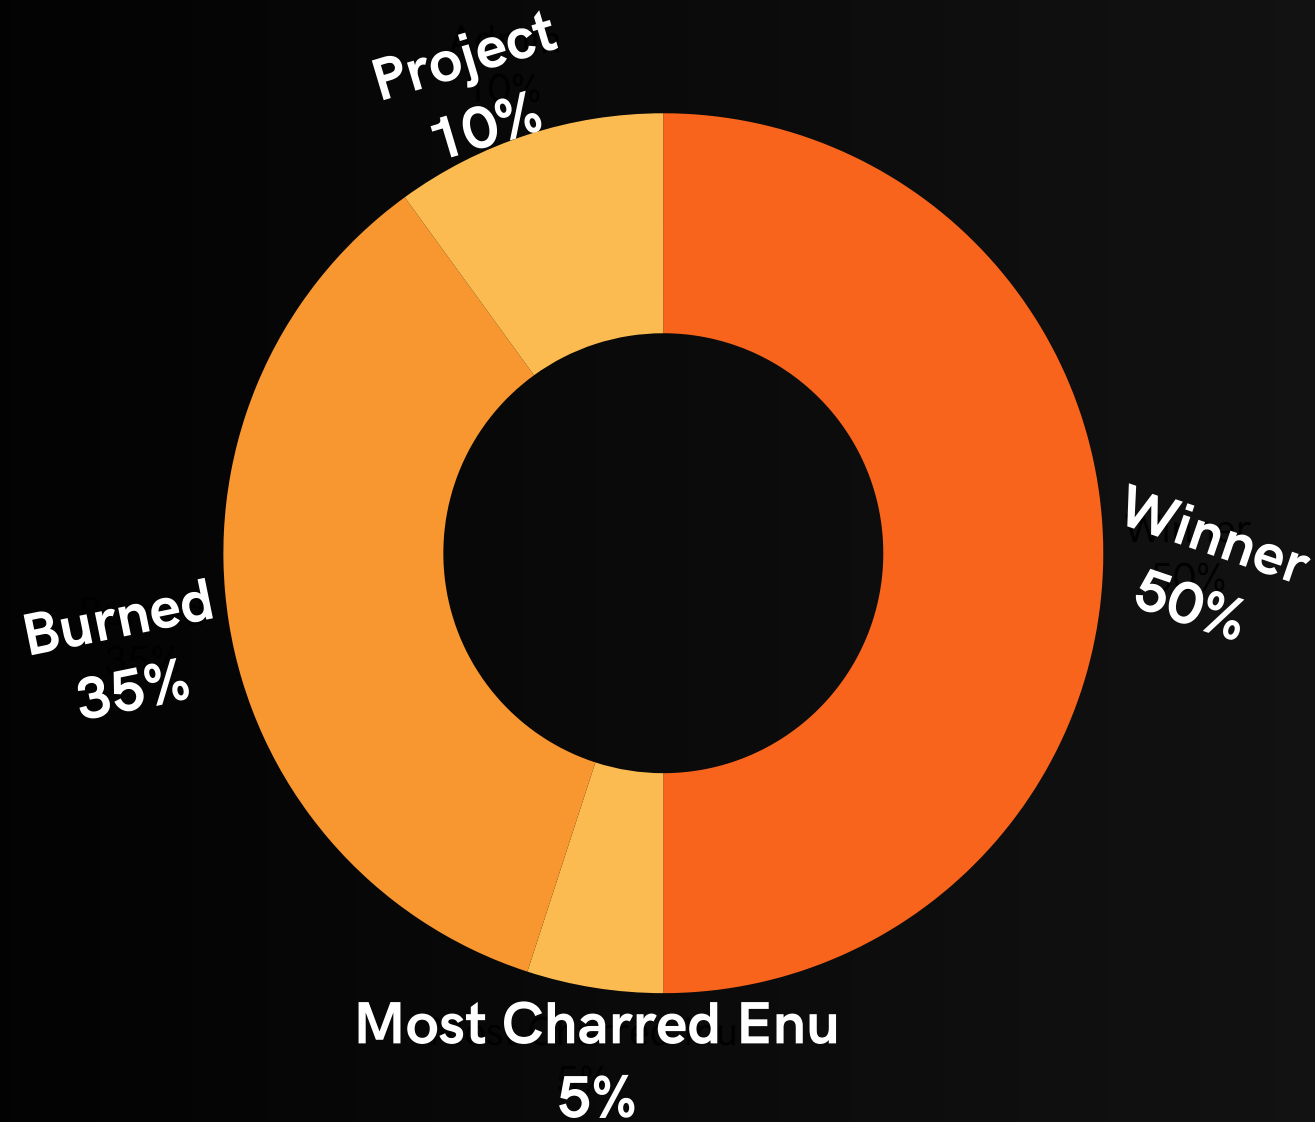

TRANSPARENT DISTRIBUTION

Admin Breakdown

- 50% to the First Place Winner
- 5% to Most Charred Inu
- 35% Immediately Burned
- 10% for Project Development
